 NEW Gulfstream Blue and Orange Crush

 Dragon Red and Bright White

Feature Highlights

Trixx Mode
Trixx Mode unlocks new water acrobatics like reverse donuts to add even more show-stopping fun to the ride. The Trixx mode offers more thrust in reverse to perform maneuvers more easily.

Extended Range VTS (Variable Trim System)
Offers double the range of the regular VTS for greater ease when executing tricks.

Handlebar with Adjustable Riser
A telescopic steering system that optimizes the experience for varying rider sizes.

ROTAX 900 ACE - 90
The Rotax 900 ACE - 90 gives crisp acceleration with impressive fuel economy.

BRP Audio - Portable System (optional)
The BRP Audio - Portable System provides higher-quality sound on and off the water featuring Concert, Ride and Home modes. Equipped with a heavy-duty mounting bracket.

iBR - Intelligent Brake & Reverse
Exclusive to Sea-Doo® models, iBR stops the watercraft sooner and provides more control and maneuverability at low speeds and in reverse.
